Sir,

In continuation of this Department's letters of even number dated 14.7.04 on the subject mentioned above, I am directed to say that the Supreme Court of India in its directions dated 1.8.05 in W.P.(c) No. 300 of 2005 in the matter of Global Educational Net v/s UOI and Anr., directed the Medical Council of India(MCI) to conduct verification of compliance and send its report and recommendations for renewal of permission to the Central Govt. by 13.8.05. The Central Govt. was directed to pass order by 17.8.05. Accordingly, Medical Council of India after conducting compliance verification inspection and noting the facilities available, have recommended for grant of renewal of permission for admission of 3rd batch of 100 (one hundred only) MBBS students in your college for the academic year 2005-06. The Central Government after taking into consideration the recommendations of the MCI, have decided to grant renewal of permission for admission of 3rd batch of 100 students at Medicity Instt. of Medical Sciences, Ghanpur for the academic year 2005-06. The permission is, however, subject to the condition that admission process for the academic year 2005-06 is completed as per prescribed time schedule. A copy of inspection report of MCI is enclosed herewith.

Kindly acknowledge the receipt of this letter.

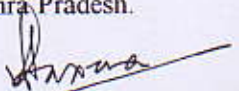

Yours faithfully,
